SPREAD the word and be part of the President's Surf Race action or just come down to watch and enjoy the BBQ and a catch up chat. The first two surf races have been well attended - with the "Rock Around The Rock" sure to become an annual event with the old and young battling it out around our famed Elephant Rock.

Former Ironman champion and Junior Age Group Manager extraordinaire Jeremy Cotter showed off his super surf skills to win the day.

We would love to see all past and present Vikings. Who said "the oldies" have had their day? Thank goodness for the handicapping!

100th Year Club Presentation Night

Very important: Dear members and friends your help would be greatly appreciated by spreading the news of our upcoming 100th Year Events. You have the opportunity to select the event you would like to attend and hopefully bring along your friends.

Over the oncoming weeks I will be notifying people from all areas of the club to take on the roll of 'Table Captain' for the upcoming events as listed above.

This strategy will be used for the Sports Luncheon (21/02/20) and the Gala Ball (16/05/20). If you are willing to take on this role as 'Table Captain' could you please let me know. The tables for both events seat x10 people. Your job would also be to collect the money for your total tables attendance. Please be mindful that there are a limited number of seats for each event so it will be a first in first serve basis. I would greatly appreciate any assistance from each club sections and age group sections past and present. Any questions please don't hesitate to call me - Sue Hanson 0408 730 853
